March 21, 2020

Fellow Stranders and Friends,

Just wanted to give you all an update about ACSC/SOS Functions. Currently as many of you know many restaurants and bars, etc. at N. Myrtle Beach are closed because of the Covid-19 pandemic. I know that some of you were planning on still going to the beach during the 10 days of SOS even though it still remains cancelled, however there is so much uncertainty about the virus and the longevity of it, that no one knows for sure how long this will go on. You may want to re-consider your travel plans, condo rentals, hotel rentals, etc.

The Board is currently working on plans for Fall Migration, with DETAILS to follow as they are known. We have been in contact with the City of N. Myrtle Beach about POSSIBLY having the parade at Fall Migration. Nothing has been confirmed at this time, but as Ron said "we are keeping our fingers crossed" and hoping for the best. Ron has been working tirelessly for SOS, with the city, all our club partners, and all of our supporters.

We will keep you posted as things develop and hoping things start to turn around for all of us.

It remains important right now that we all remain safe and abide by the rules of the CDC concerning this pandemic. We remain confident that we will get past this and we can return to the lifestyle that we all love and live our life for.

Respectfully,

Ron Whisenant, SOS President (803-371-4731)

Ronnie Gregory, SOS Board Chair (336-213-7053)

Robin Morley, ACSC Chairman (828-443-5995)
