SOS President Ron Whisenant

Hello Every one! Fall Migration 2024! Summer is wanning, kids back in school and football season is upon us. Time to get back to the beach for a reunion of friends in Ocean Drive and celebrate the oldest and biggest adult party called SOS. A cold beverage, a hot tune gets the party started. Ten glorious days of dancing, good music and great friends. That is what makes SOS so great. The perfect party, in the perfect place, with perfect friends!

During the fall, we premier our Fun Monday event. It is held on Main Street from 1-5pm. A showcase of bands that bring the crowed street alive with great music, great comradery and anticipation of holding the winning ticket for prize money. This event is provided by the Enhancement committee and the funds to host the event come through raffle ticket sales. There are several lucky winners drawn that day. So please purchase a \$10 ticket to help fund this project and give yourself a chance to win some money. In today's economy, \$ 5000.00 will buy a lot of groceries or pay for a cruise for two. Without your support this could not happen. Ten dollars is cheap admission for a festival with three jamming bands.

Pirates Cove will not be participating as an SOS sponsored club this fall. Shrimp and grits will become something of the past. However, there should be ACSCDJA djs playing your kind of music. Check them out. I heard that he would have lower pricing on drinks. That's the rumor I hear.

Beginning on January 1, 2025 the price of SOS membership will increase to \$45.00. SOS has managed to hold the cost of \$35 for 35 years. The last increase was in April 1990. Covid has reduced our numbers in sales while the cost of doing business continues to be the same. The cost of SOS membership is still the best value you can find in today's entertainment market. The cost of membership equates to \$1.90 per day for fun at the best shag event ever. Please continue to support SOS. There is nothing else like it anywhere in the world.

ACSC Chairman Robin Morley

Welcome Shaggers,

Step into the world of SOS, where 10 days of dancing and socializing await you in North Myrtle Beach, SC. Create unforgettable memories as ACSC celebrates their 40th anniversary on September 19th! Don't forget to show your support by wearing SOS, Shag Club, or any attire associated with our beloved dance. Immerse yourself in our Shaggers paradise and experience the joy of dancing like never before.

Indulge in icy cocktails and mouth watering burgers, groove on your favorite dance floors, and seize the opportunity to win a grand prize of five thousand dollars at Fun Monday.

Prepare for a whirlwind of excitement during Fall Migration! Our heartfelt thanks to the City of North Myrtle Beach for graciously opening their doors to share their city with us.

SOS Board Chairman Ken Akin

Welcome to the 2024 Fall Migration and the continuation of Forty Years of our dance. All of us who love the SHAG dance have been blessed to have the local dance clubs in your hometown area and in the North Myrtle Beach area available to us all these years.

happening during Fall Migration!**

Help make this campaign another huge success during SOS!

The Hall of Fame Foundation Board Member Mike Pace's idea of an avenue for increasing donations to the Hall of Fame Foundation was for the HOFF Board members to display their Just A Dollar Badge along with their HOFF badge during SOS events in North Myrtle Beach. When you notice the Just A Dollar badges worn by the HOFF Board Members and volunteers please reach in your pocket and donate your \$1.00 or more if you prefer. Your donation will definitely play a part in providing assistance to someone in need.

Elaine Harrington - From single mom to owner - The OD Arcade & Lounge

In another life, she might well be a gracious white swan moving across a summer still pond. Being a lovely person speaks of character yet doesn't explain success. After all, not all sweet, easy to-get-to-know young women climb to the top in a highly competitive business. A clear window into her achievements started as a young single mother. As for her remarkable business success:

In the early 80's the Arcade was all about games, hot dogs, hamburgers and French fries. After fifteen years of first-job hotel work Elaine came to the Arcade in 1986. For three years she swept floors, waited tables, cooked food, mixed drinks, ordered and took inventory. In 1989 the owner offered to sell her the business. Lacking necessary financial resources, the owner granted terms. Operating on a tight budget with a small staff, she routinely worked 12-hour days, all the while earning respect of other local business owners who promptly joined her admirer's brigade. In 1991 debt-free Elaine Harrington became sole owner of The OD Arcade and Lounge. Adroit business decisions soon followed. She took risks establishing an unmistakable upward trajectory for her new business. She converted the Arcade from

part-year to a year-round business, joined with the other SOS clubs, installed awning to create outdoor lounging, set-up a second bar, moved the game equipment into storage, put strong emphasis on a delectable food menu, and expanded her staff. In 1996 she converted flooring from an old bowling alley and altered the Arcade's motif during SOS to become home for all-day dancing. With help from Norfleet Jones, John Hook and others, she created the Rookie's Revenge, Pro and Smoothie's dance contests. Nowadays, there's abounding evidence of success from her long hours and smart decisions. Even some of that expanded staff is still there. Built by Elaine's entrepreneurial spirit and business vision, The OD Arcade and Lounge today is known as the home of year-round entertainment, great food, drinks, and a special place to dance.

In 2000, when medical issues kept Elaine from day-to-day operations, Ray Williams, son Mitch Ragsdale and business partner Chris Nance came to help full-time. As mom had done, they too had to learn it all: sweep floors, cook food, mix drinks, and whatever else needed to get done. Today, with mom's watchful eyes seldom far away, Mitch and Ray own and manage the Arcade. They too proved to be very business-wise and hard-working. They focused on making food and bar appeal the best on the beach, added additional seating in and outdoors, and carefully selected additional staff who would help advance The OD Arcade and Lounge reputation as a place of abundant friendly smiles.

For SOS'ers the Arcade is the place to enjoy it all: a great meal, refreshments, fellowship and dance. If you are in the Arcade, speak to Elaine. She'd like that. For real, she is that swan-like beautiful person, and the force behind The OD Arcade and Lounge's success. After all, like her personality, she makes it such a comfortable place to hang out.

Thanks for the Memories

by Rachel Dixon, President, FASA

A special place, the dance you'll never forget, celebration of a significant event, that Cinderella feeling—close your eyes and picture that unforgettable moment. Is there a way to capture these elusive memories?

One special member of the Fayetteville Area Shag Association has created a quilt that will help shaggers remember those wonderful times. Sue Fulcher, an accomplished seamstress and quilter, presented the membership with a proposal. If she was able to collect t-shirts that reflected a shag event or a place where shaggers gathered, Sue volunteered to piece the shirts together to form a quilt. Members and fellow shaggers contributed t-shirts including one from the 20th anniversary of A.C.S.C., the 25th anniversary of S.O.S., bands such as Billy Scott and the Prophets, Sea Cruz, and shirts representing shag clubs as well as dance venues.

During this labor of love, Sue underwent two major surgeries, but she continued to work on the quilt while recuperating. With a sigh of relief, she has pronounced it finished! The backing has been attached, the final quilting and finishing work is done, and FASA is now in possession of a unique quilt which reflects our Shag History.

FASA will hold a raffle for this quilt November 23, 2024, at our monthly party with a portion of the proceeds going to the Ellen Taylor Foundation. If you would like a chance to win this shag quilt, please contact FASA, P. O. Box 53214, Fayetteville, N. C. 28305. Tickets are \$10 each. Perhaps your shag club or favorite place for dancing is included in this "one of a kind" quilt, and it could be yours!

The Crown Jewels

by Dr. Phil Sawyer

ACSC 40th Anniversary

The Association of Carolina Shag Clubs wears the crown. Long established as the royal house of the shag world, the Association holds court as befits a King and Queen. Symbolic of royalty is the Crown. The activities of the Association are the jewels in the crown:

S. O. S., the diamond: Firmly set as the keystone of the crown is S. O. S. the most coveted of all jewels. Its sparkling and dancing fire, refracting from the brilliance of the Ocean Drive Sun is forever. Its facets are the participating clubs, the parade, the beach run, and most of all, just being there. It will stand.

Local Clubs, the pearl: Not a stone but created from living things--members. Local clubs are what hold this world together and make it work. The string of pearls which stretches from Florida to Virginia and points West is the culture of our spirit. The Newsletters keep us informed.

The Grand Nation, a cluster of fine stones: This one is so precious no one stone can represent it. Unique in every respect it has helped carry shag to the nation, and shag and swing to our world. A world class event of Olympic proportions. Charlie and Jackie mounted this piece.

Services, the ruby: Richly colored as the beauty of the rose, the services of the Association. (Edited) Workshops for fun, information, and direction--the heart of ACSC during Mid-Winter, Spring Safari and Fall Migration.

Carefree Times, the jade: (Edited) This gem informs, entertains, appreciates, and recognizes. As jade, it is strong in articles, a photographic journal of our festivities, and a schedule of what's happening and where (currently available on the SOS Website and SOS Facebook page).

Mid-Winter, the sapphire: As rich and blue as the January sky, this jewel, once the best kept of secrets, is now known to one and all. Regarded by many of the most precious stone in the crown. A truly regal event.

Junior S. O. S., the opal: The rainbow of gems is the young shaggers who will be here long after we are gone. It is up to us to make sure they keep it, because the future is up to them. God loves them and so do we.

Before we complete our crown, we'll save a space or two for added jewels. Our kingdom is growing rapidly, and we are an ever developing lot. So we are sure to hold court on some future jewels to be added to our crown. (Edited) Additions since this wonderful article by Dr. Phil consist of Fun Monday, Growing Parade, Dance Contests and Special Events. There is no doubt that Dr. Phil had a vision and like he said "It Will Stand".

This article was written by Dr. Phil many years ago and was in a folder that his son sent to me. It is a treasure to read these articles and I took it upon myself to edit some of the paragraphs. Edited by Vickie Harrison

Thank you for your dedication, participation, donations and enthusiasm during Junior SOS 2024

JR SOS 2024

JR SOS 2024, the largest junior event of the year, has come and gone once again, leaving tons of fun for the memory books. It all started July 14th with the "early birds" arriving Sunday and dancing the night away at the OD Pavilion with a Junior DJ for the first time. Can we say "HOT!" Monday night everyone headed to Fat Harold's Back Room for the PIZZA PARTY. The floor was almost full and we had not even "officially" started. Things were definitely headed in the right direction.

The T-Shirt this year was designed by Elliott Vaughn, one of our juniors. It was fantastic and loved by everyone. Workshops started up on Tuesday night and continued every morning with (4) different classes starting at 9:30 for three different age groups. The youngest group was ages 3-5 years. They are so cute. One little guy was so excited. He kept saying "I need to dance". I can truly say they all have the "shag bug". Our regular events were in full force with Coastline Band at Ducks on Tuesday. Wednesday brought the Line Dance Challenge with (6) groups. The kids had 30 minutes to make up a line dance. First place went to "The Duckies". This is such a fun event. Then came the Line Dance Class learning the "Cowboi Boogie" followed by the famous GLOW PARTY on Wednesday night.

This year also marked the 35th Anniversary of the movie "The Shag". We decided to show the movie in the Spanish Galleon on Thursday afternoon. The kids brought their pillows and spread out on the dance floor. Thursday, Friday, & Saturday nights we held contests: Jack & Jill for Beginners, Intermediates, & Advanced; Pro-Am; Handicap Mixed Doubles; and Keepers/Juniors II Mixed Doubles. There were prizes for 1st, 2nd, and 3rd in each contest. This gave them a little taste of what competing is all about and that anyone can compete. Friday night brought spotlight dances from the champions of the National Shag Dance Championships and the Grand Nationals Dance Competitions. There was also a fantastic performance by the Junior Shag Dance Team. Once again, on Saturday night, we had the "Ageing Out Dance" for all the juniors that will be turning (21) before the next JR SOS. We only had (2) to age out this year. Scholarships were given out on Saturday night too. Who would have ever thought that "shaggin" would help our kids to go to college and advance their future! The Junior Shag Association awarded (1) \$5,000 Scholarship, The JLEE Foundation Scholarship awarded (2) \$1,500 scholarships, and the Shad Alberty Scholarship awarded (2) \$2,500 scholarships.

This year, we lost our first junior unexpectedly, MacKenzie Sleeper. She was from Florida, danced on the Junior Shag Dance Team, and served as an Ambassador at JR SOS. She was engaged to be married. She was a very kind and sweet young lady, who we lost way too soon at the age of (19). The JSA Board wanted to do something special to honor her. We decided to make a Spirit Award to be given to one junior each year during JR SOS. This year's recipient of the MacKenzie Sleeper Spirit Award was Hunter Matthews. He is so very deserving of this award. He is such a joy to be around and has such a positive attitude. This was truly a fantastic week. All this is put on by a board of (9) members, many volunteers, and the Ambassadors, which are juniors ages 15-20.

We had (18) this year. There were (852) people registered with over (400) of those being kids. Go ahead and mark your calendars for JR SOS 2025: July 15-20. You don't want to miss the fun. Till next year, juniors keep shagging.

Southern Comfort 26

Palmetto Shag Club May 31 - June 2, 2024

Southern Comfort, sponsored by Palmetto Shag Club happens at the Double Tree by Hilton in Columbia SC each year the weekend after Memorial Day. What a Party we had this year with about 440 Shaggers from all over the Association. It was great being able to see so many of us having this much fun together! Being part of this Shag Family is wonderful!

We always start off with a Pre-Party at our normal dance venue on Thursday evening. We then move to the hotel where our theme was "Under the Sea", where the decorations were spectacular and even included our very own Mermaid. On Friday & Saturday, our Hospitality Suite includes shooters, food, full open bar, a dance floor and lots of great music. Then we head out to the Ballroom where we have our own professional dance floor and continue to dance the night away. We provided everyone with a full cooked breakfast each morning and on Saturday night we had a full buffet meal.

If you have never been to our pool party, that is another treat. This year it was an Endless Summer Party! There were lots of fun and games with entertainment provided by the PSC Beach Nuts and Girls! The Adult Beverages were to die for including Frozen Strawberry Daiquiris, Pina Coladas, Rum Punch, Godiva Chocolate Pudding treats, beer and wine. The hotel bartenders were amazed to see how much fun we old folks could have all weekend long.

We could not have had a better set of DJ's, John Smith, Buck Crumpton, Billy Fanning, Furman Dominick, John Fletcher, Barney Mims, Mark Swygert, Dan Spivey and Keith Williamson. They all absolutely knocked it out of the park. Charlie Womble and Jackie McGee gave us some new steps to help knock the dust off your shag shoes and entertained us with a spotlight dance. And then they added their own Dancing in the Pool Steps. Brenda Taylor made sure that you learned a few new line dances. And everyone kept our dance floor hopping. We had great Chinese Auction gifts and 50/50 drawing each night.

We were able to support the Junior Shag Association by having Billy West and Gayle Pandure do a Dance for Dollars dance on Saturday night to raise money for the Junior Shag Association. They went home with \$1,550.

There are tons of photos on our website. You can check them out at these links.

S.O.S.

YES OH YES, COME BACK TO S O S. THE STORY OF THE BEGINNING

Page 1 of 2

I have been to S O S 76 times over the years, and it still excites me, the same as the first time, when I drive down Main Street and lower the windows and hear the music coming from Ducks, Ducks 2 and Fat Harrold's and see the people congregating on the street! It's a feeling that can't be described, only experienced!! You have to be there and once you go, you will never stop. But, since Covid we haven't stopped but we have slowed down! This article I hope will help change that and inspire not only the veterans to come back but motivate new Shag Families to experience what has been titled by some as "The Greatest Adult Party " on the East Coast! My first adventure to S O S was 34 years ago so obviously I have met a lot of the Great Legends and become friends with some of them and studied the history and written about it in Shag Club articles over the years but the greatest personal story for me began one evening when I was having a drink with a good friend of mine at our local hangout.

I told him I had just returned from 8 days at S O S. He said "S O S, that's the thing 'Swink' started, right"? My friend was a famous local Attorney and Builder but he definitely didn't know anything about shagging so I was totally stunned! "Yes, but how did you know that?" He went on to tell me that he had known Swink for many years, that they had done business together and that he could put me in touch with him if I wanted and he did and through my conversations with Mr. Laughter and excerpts from the well known author, Bo Bryan, who wrote the book "Shag, The Legendary Dance of the South" and whom I also had the good luck to meet, I learned the history of the beginning of S O S.

Robert Gene Laughter "Swink" was born in North Carolina in 1932 and in his teens spent summers life guarding in Myrtle Beach and dancing at the Pavilions along the ocean. He loved the beach bum life as he called it and it was there that he made what turned out to be long term friendships and also met his wife, Nadine. He was brilliant, creative and mischievous in a kind way! He

entertained his family on summer vacations at the beach by writing notes and putting them in bottles and throwing them into the sea. He would take coins and etch them with acid and bury them on the beach and watch, from his porch, people with metal detectors finding them and thinking they had discovered coins from old ship wrecks.

In 1978 one of Gene's notes in a bottle ended up in the offices of the Charlotte Observer newspaper. It was supposed to have been written by marooned sailors on a whaling vessel that had sunk in 1887. One museum had authenticated the find and the story gained a bit of National coverage! Another nautical museum reported that it was in fact a hoax because the ship in question had gone down 30 years before the date of the note. Since no money changed hands, the prankster (Swink), did not go to jail but he did become a familiar name to the Charlotte Observer!!

From my conversations with Swink it was apparent that he was a true renaissance man, a romantic actually with shades of Mark Twain and Earnest Hemingway. In 1980 he decided to see if he could track down some of his old beach buddies and have a reunion. He spent a great deal of time arranging for places to dance and places to stay. Since he was already famous, (note in the bottle famous), at the Charlotte Observer he asked two of the columnists, Kays Gary and Jerry Bledsoe, to feature a story for the reunion. The stage was set for what thousands of people still enjoy 44 years later! But not before Swink, the prankster, struck again. ANOTHER bottle was found washed up on shore about a month before the reunion! The parchment note in the bottle said;

S.O.S.....(reward for delivery). . .please see that this note gets to Captain Earl Bostic of the U.S.S. Flamingo in the port of Charlestowne. . . . Raven is rocking off the Carolina Banks. . . Migration in under way. . . .Due at Oak Tree September 11th. . James Ricks; Captain, U.S.S. Raven, 14 June, 1897-----

This time it was the Sumter South Carolina Daily that was duped! It was picked up by the Associated Press and for days maritime activists were running around trying to verify authenticity! In reality the note was a coded invitation to Swink's reunion. Anyone familiar with the upcoming planned reunion and familiar with rhythm and blues music knew what it was. Captains, Earl Bostic and James Rick, were rhythm and blues group leaders. 'Flamingo' was the title of a hit record. 'Raven' referred to Jimmy Ricks and the Ravens. Oak Tree was the name of the revelers and September the 11th was the start date of the party! Swink owned up to the HOAX at a press conference in Richmond, Virginia in August of 1980 and for the price of an antique bottle and an old piece of paper he gained enough National advertising to kick off the first "Beach Bums Reunion" and S O S was on its way.

There are many different stories about the number of people who showed up that first year. Some say 500; others say Swink was expecting 500 but 1500 showed up; some say 2500. When I talked to Swink, I didn't ask him because to me the number wasn't important; it was the ONWARD AND UPWARD thinking of the great man himself that mattered to me.

Dr. Phil Sawyer with Swink Laughter 1989

Thus began the migrations (now three times a year) that thousands of shaggers enjoy every year at Ocean Drive and Main Street. The party grew in size quickly and it became impossible for Swink to handle by himself so in 1987 (or 1989) the Association of Carolina Shag Clubs bought out Swink and took over S O S and still run it today and do an amazing job!!

At that time Mr. Laughter still lived in Richmond, Va. and so the Richmond Shag Club in 2008 awarded him an "Honorary Lifetime Membership". I never saw Swink after 2008 but I kept in touch and I know that shortly after that year he and Nadine moved back to Myrtle Beach so they could be close to the places where they met and spent so much time in their youth and where they could once again see their "Beach Bum" friends. At S O S he could be found sometimes in the afternoon hanging around the O D Pavillion!!!-----Gene passed away in 2017 at the age of 84 but his legacy lives on and I think of him often and especially when I'm at S O S and still marvel at what one man's vision created and how much he has affected people's lives for all these years!!

The next S O S is in September of this year. I was there in April and there is a lot of new music; All of the clubs are doing their best to showcase the best bands and the best Djs and plenty of food and drinks. It's an exciting time again!! Covid affected the membership of many of the shag clubs, but now we have many new members joining and they don't know about S O S, so show them this article and encourage them to come in September!
