I was born and raised in Bamberg, SC and attended the University of SC and Limestone College. I have a Bachelor of Science in Business Administration and a Minor in Management. I am married to Johnny Nash, have one daughter, one stepson and 3 grands, Coulter, Camden, and Charley Lynn. I moved from Bamberg to Columbia in 1974 and other than 2 years that I was in Charlotte, I have lived in Columbia.

I have been an insurance agent for Colonial Life 1999, ran my own business for 15 years, worked as a broker for several companies and currently with the HILB Group SE. I sell group health, individual health, dental, vision, Short-term and long-term disability, Medicare Supplements, Long Term Care and ancillaries through Colonial life.

I joined the CSC in 1990 and was active, on and off, until 2006 when I became fully active and have been active since. I am the current President of the Columbia Shag Club, I have served on numerous committees (food, door, decorations), Past President 2019 – 2022, Secretary, Vice-president. Each year as president I was able to increase membership. I was chair of the CSC Invitational numerous times and have successfully made money for the club each year as chair. I enjoy my time with the CSC and I love working to continue the growth of the club. I love to network and being part of 5 additional clubs other than Columbia helps so much. I was an Ambassador for the ACSC and SOS meetings for 3 years.

I feel like networking is vital to the growth of the CSC and to all other clubs. At the ACSC meeting Robin stated that the shag is a lifestyle and I am 100% on board with that statement. I look forward to meetings and events and spending time with my shag friends. Please consider me for one of the open Board positions. Thank you for your consideration.
