My name is Kevin Carr. I'm a resident of Belmont, NC and a retiree of Duke Energy with 40 years of service. I am currently a member of the Gaston Shaggers with past membership in the Shelby Shaggers, the Lake Norman Shag Club, the Charlotte Shag Club, the Mountain Island Shag Club and the Two Rivers Shag Club. I co-founded the Two Rivers Shag Club and was President for 3 years, VP for 2 yrs and then President again for 2 yrs until we recently merged the Two Rivers Shag Club with the Gaston Shaggers keeping the Gaston Shaggers name and by-laws. As an officer of the Two Rivers Shag Club, I attended the ACSC meetings as a representative and participated in several summer workshops. I also served on the Belmont Moose Lodge Board of Directors for 3 years as a Trustee. My wife Robbie and I have been a part of the "Shag Life" community for nearly 25 years and understand the need for caring leadership. My past experiences have taught me the importance of confidentiality, being a good listener, compromise and loyalty. I have excellent organizational skills, can build a consensus with conflicting opinions and remain calm in crisis. I understand the need for a code of ethics and practice honest and open communication. And lastly, I know you can't look for different results from the same actions.
